

CELEBRATE WITH US THE SEVENTIETH ANNIVERSARY OF THE 2CV!

A coalition of Belgian 2CV clubs invites you to Ranst from 8th to 12th August, to celebrate the 70th birthday of the 2CV.

It goes without saying... Belgium has a strong reputation in the organization of such events; without doubt you'll remember the previous celebrations in Rochefort.

The former Rochefort terrain has been changed to Ranst, this terrain offers the same commodities like a nice flat lawn, some hall buildings and of course sanitary installations.

The participants will receive a goody-bag with folders, which will allow them to discover at will the beautiful region of Antwerp, which is only a few clicks away!

The programme will be packed with activities such as dance nights, flea market (new and used spare parts), beauty contest, and much more...

In respect to our sponsors, we have committed to only grant access to the campsite to 2CV, 2CV derivatives and other Citroën. All other vehicles must remain on the parking lot outside the campsite.
